The annual staff of Sulphur High School presents with great pride the 1963 edition of the Bulldog. We have endeavored to capture some of the excitement of the various events during the 1962-63 school year. We have tried to give you new ideas along with our traditional ones, in hopes that you will be reminded of some personal achievements or pleasures as you turn through this book.

We hope that you, who are seniors, will cherish this book as a happy reminder of your last year in Sulphur High School. May the underclassmen recall that first game of the season, assemblies, fellow classmates and other memories with joy and enthusiasm.

The staff wishes to thank the people of Sulphur who helped to make our annual a success and I want to express my personal thanks to an efficient staff and a truly wonderful sponsor.

## *Superintendent's Message*

I have found it most gratifying to work with a group of students whose goals are of such high quality. Permit me to share pride in your achievements.

Although the annual is a keep sake of the entire school, it is more a product and a memento of the Senior Class.

Your achievements thus far in your educational program are such that each of you can take great pride in them.

If in the future you pursue life's adventures with the same fervor, you will achieve great satisfaction from your endeavors. My best wishes go with you in the next steps in your great adventure.

# History

September, 1950, the scholarly Seniors of 1962-1963 began their education and teachers began wondering why they were teachers. Washington was honored by Charles Brown, Betty Cope, Bobby Day, Arvin Edison, Dicky Jennings, Shirley Kirby, Virginia Lawrence, Don Moore, Charles McHatton, Marshall McMurtry, Shirley Nelson, Ronnie Pierce, Lynn Richburg, Gail Vannoy, Frances Vaughn, Martha Walker, Jerry Williams, and Doyle Worstell.

Jean Stephens and her little red bonnet led the group at Cameron. Her followers were Melva Brown, Sue Collins, Johnny Day, Harold Hunt, Mike Hunter, Jamey John, Johnny Lewallen, Julie Lewis, Allene Moss, Connie Ray, Patricia Ray, Robbie Robb, Donna Royster, and Nick Schwake. Washington was glad to see Lynn Richburg go to Cameron the second semester. Mike Hunter made a hit when he fell off the stage at the Christmas play.

In the second grade Johnny Parker decided to follow Lynn Richburgs' example and go to Cameron. Cameron also got Billy Cochran from Atoka, Oklahoma, and Tommy Payne from Mill Creek, but lost Jean Stephens and Connie Ray to Hickory. Arvin Edison stole the show that year when he waddled like a duck.

In the third grade, Karen Green was getting a general education in how to beg good off people. Washington really gained that year with Sue Hilliard from Denton, Texas, Sharron McAffrey from Phoenix, Arizona, Johnny Parker back from Cameron, and Kay Callis from Dougherty but lost Don Moore to Oklahoma City and Bobby Day to Elgin, Oklahoma. Cameron rejoiced as Johnny Lewallen moved to Davis and itchy-feet Bobby Day moved back to Washington.

The teachers thought we had learned enough so they moved us on to the fourth in a hurry. Washington didn't seem to be liked as Kay Callis moved back to Dougherty and Charles McHatton to Fort Gibson but then Billy Cochran comes from Ardmore and Gilbert Jenkins from Tecumseh to make up for the loss. Cameron lost Tommy Payne to Mill Creek but gained Ida Stick from Byng. Last semester Billy Cochran transferred to Cameron.

By the fifth grade Cameron and Washington were big football rivals. Washington lost Shirley Kirby to Muskogee and gained Charles McHatton from Fort Gibson. Washington also gained Kay West from Wynnewood and Billy Cochran from Cameron. Billy was confused that year, but he finally moved back to Cameron.

Ah! Our last year in grade school. The teachers had to get new paddles that year. Cameron gained Carolyn Oakley from Stratford. Shirley Kirby didn't like Muskogee so she came back to Washington as did Johnny Lewallen from Nebo. Ronnie Pierce got mad at Cameron and moved to Wynnewood.

The big brains finally met in the seventh grade and got to be good friends. We added to our number Matildia Caraway from Troy, Oklahoma, Charlene Kitt and Connie Ray from Hickory, Don Moore from Oklahoma City and Marilyn Wilson from Brookville, Kansas. Remember the big love affair between Marshall McMurtry and Melva Brown?

In the eighth grade we gained Mary Tignor from Atoka, Tommy Payne back from Mill Creek, Don Pinkston from Morenci, Arizona, but lost Donna Royster to Muskogee, Oklahoma.

Senior High was invaded by the big Freshmen the next year. Remember all those initiations? We gained Jaylinda Chapman from Hickory, Leta Collins from Oak Grove, Sue Coll from Dougherty, Jimm Freeman from Asher, Phil Key from Chandler, Clark Mitchell from Mill Creek, Jean Stephens from Addington, and Charles Walker from Ardmore. Donna Royster got a late start and joined us the second semester from Muskogee.

Our Sophomore year we started off with a bang! We accomplished something that is not often done: We won Student Council Editor! We really gained a lot that year with Patricia Ray, from Fanshawe, Oklahoma, Elmer Parrish, Ray Giddens and Anita McMillian from Dougherty and second semester Bennie Adams from California, Rick Castleberry from Roff, Mike Hearrell from Chouteau, and Linda Harbor from Seminole, Texas.

As Juniors we decided to get busy and have fun. We had a hay ride which everyone remembers. We won Band Queen, Annual Queen, "S" Club Sweetheart, F.F.A. Sweetheart, and F.H.A. Beau. Kay Callis found her way back to Sulphur from Morris, Oklahoma and Marshall McMurtry moved to Van Buren, Arkansas.

## *History (continued)*

Our Senior year we made history when we won all Student Council offices both semesters. Phil Key, Dicky Jennings, Doyle Worstell, and Jim Freeman made Arbuckle Conference and also all conference in football. We had five boys in basketball, fourteen in football, and four in wrestling. We held the office of President in F.H.A., F.F.A., Lettermans Club, Pep Club, and Band. We had three Seniors holding offices in F.H.A., four offices in F.F.A., and three of the six cheerleaders and two twirlers were Seniors. The Queens in various organizations are: Karen Green, Spanish Queen; Sharon McAffery, "S" Club Sweetheart; Sue Collins, Football Queen; Betty Cope, Basketball Queen; and Martha, Band Queen. We had seven in Oklahoma Honor Society and thirteen on the National Honor Society. We were the first class to start and continue a scrapbook throughout our High School days. We had three in girls quartet, three in boys quartet, three in mixed quartet and one in girls trio. We gained Marshall McMurtury from Van Buren, Arkansas, Gayle West, John Pope, Mickey Warren, and second semester Mike Hearrell from Olney, Oklahoma and Amerylys Parker.

# Senior Class Prophecy

In the year 2000, the graduating class of '63 are meeting for their annual reunion.

This year it is being held at Chuck "Ace" Walker's Castle Club, an exclusive restaurant on the shores of the beautiful Lake of the Arbuckles.

It is no surprise that many of our former classmates have made good. For instance, there is that famous evangelist, Don "Preacher" Pinkston. Don was unable to be with us tonight, because he is conducting some kind of a "crusade."

Perhaps the most distinguished guest here tonight is the second Republican Governor of the State of Oklahoma, Nick Schwake, and his illustrious first lady Martha Walker Schwake.

Most of the old grads are staying at Billy Cochran's hotel, "The Cochroach." His bellhops are Gayle West, Amerylis Parker, Patricia Ray.

Marilyn Wilson has graciously consented to provide all the food for the occasion. After all she now owns her own chain of "Piggly Wiggly Stores."

In order that no one goes thirsty, Charlene Kitt has pledged the entire efforts of her herd of dairy cows. Since Charlene doesn't believe in milking machines (especially on cold Mornings) this keeps her helpers, Mary Tignor and Gail Vannoy busy.

To add entertainment to our evening, we have imported that famous dance team from Paris, Melva "Bubbles" Brown and Betty "Cuddles" Cope. They are now on stage doing their famous bubble dance. Meanwhile Gilbert Jenkins is handing out pins.

Naturally, the girls wouldn't be where they are today if it were not for their costume designer, Doyle Worstell, whose motto is "Just a little bit now and a little bit later."

Also, on our celebrity list is that famous western star, Allene "Hoss" Moss. Speaking of Western Stars, Arvin Eidson had such a love for Roy Rogers that he went to Hollywood and became a Star. He is now a double for "Trigger."

Keeping an eye on things are the girls from "Snoopy's Detective Agency" Sue Hilliard, Shirley Kirby and Ida Stick. Meanwhile, trying to pick up juicy bits of gossip are Betty Sue Coll and Frances Vaughn, editors of that famous teenage magazine "If Cows Could They Would." All the issues of their magazines are published by the world's foremost newspaper editors, Virginia Lawrence and Jamey John.

That old salty dog, Charles McHatton, started his own branch of the armed forces, "McHattons Navy." His crew members are Bobby Day, John Parker, Don Moore, and needless to say Lynn Richburg is the Social Director.

At the next table is that millionaire business woman Robbie Robb, who has finally perfected "Robb's Guaranteed Freckle Remover." Her assistants are Connie Ray and Sharron Sled.

Not one to be outdone, Shirley Nelson is manufacturing Shirley's Instant Pixie Dust." (You just add water) At the last report she and her helpers, Phyllis Kay West, Carolyn Oakley, and Jean Stevens were getting rich.

Over in the corner Phil "Maynard" Key is playing his mink covered bongoes while the most distinguished member of our class looks on. Needless to say, it is Mickey "Wren" Warren, that famous undertaker whose motto is, "You stab em, we slab em."

Just in case something should go wrong, five members of the Sulphur Police Department (commonly called fuzz) are standing by. They are Johnny "Tiny" Day, Richard Gates, Jerry Williams, and John Pope.

Of course not all of the 1963 seniors have moved away. For instance, in our school system, we have that prominent teacher of English, Marshall (J.B.) McMurtry. Over in the Gym is Anita McMillan. She teaches P.E. (practically everything). Also on the faculty is Tommy Payne, who just received his P.H.D. Degree. (Persimmon-Headed Dope) from Ronnie Pierce, dean of Red Dunn University.

Harold Hunt decided to apply his many years of experience and now is managing the local submarine races.

Clark Mitchell kept at it until he was able to open his own wrecking yard. Next door is Dick Jennings' Body Shop. (We didn't say what kind of bodies).

Speaking of bodies, just across the street is Jim Freeman's and Karen Green's reducing salon. They are sponsoring a nationwide T.V. show on which Donna "Debby Drake" Royster and her helpers Sue Collins, Linda Harbor, and Jaylinda Chapman are performing exercises every morning.

Mike Hunter was unable to be with us tonight. This is deer season and Mike is over at Davis trying to "Bag A Stag."

Currently in the top 10 (on the F.B.I. hit parade) are Julie "Gun Mill" Lewis, Sharon McAffery, and Johnny "Burp Gun" Lewallen. Their partners in crime are Leta Collins, Donnie Allmon, Matilda Caraway, and Kay Callis.

And finally, Bennie Adams, Ray Giddens, Rick Castleberry, and Elmer Parrish have bought several thousand acres of land and are now running the world's largest Horny Toad Ranch.

Actually you must realize by now that we are lying. After such an active high school life we have all taken suites in the beautiful home for the wealthy celebrities over-looking the Lake of the Arbuckles and we devote all our time to wining, dining, and advising statesmen on affairs of state.

His classmates, teachers, coaches, and all of his friends will never forget Max Runyan. Through the years the memory of Max will linger. The thought of him immediately uplifts our hearts. His smile was constant and he always had kind words for everyone.

We, his Sophomore classmates, dedicate this page to Max Runyan, a wonderful friend we shall never forget.

A classmate: Max's accomplishments both in the classroom and on the athletic field are examples of a person who never gave up.

A coach: Clinging memories endure us; let them be tender and kind and gentle. So, to Max, we say "thank you," for he gave us such moments to be recalled, making our remaining life sweet.

A teacher: Great things may be said and forgotten about many people and many things may be said and forgotten about great people; however, only a few will continue to live within our hearts of all people. Max is one of the few.
